

# St. Anthony's Route 66 Car Show

Ominous clouds greeted our members as they arrived at St. Anthony's Church for the Route 66 Car Show. The threatening clouds did hurt the attendance as the entry's were about half of their normal turnout.

Our club was out in force with 13 of our members entering their cars and trucks. Members who trophied include Bill Bauer, John Sullivan, Bill Bufka, Mark Carey, Bert Pennington, Ron Schodroski, Dan Kelly, Michael McCallister, and Bill Giese. Also showing their cars were Bart McNail, Jim Biermann, and John Peluso.

Of course, one of the highlights of the day was the all you can eat chicken and beef dinners and our members did their best to get their money's worth and mostly succeeded.

For the most part, the rain held off until the end of the show and the clouds make it a comfortable day for late August.
