

MCSTL Car Show

On June 8th, members of our club attended the Mustang Club of St. Louis all Ford car show held at the Museum of Transport. For a change, the weather gods were smiling as it was a beautiful day.

Our club supported with twenty of our members in attendance. That was enough to win the club participation award of \$50 which we donated back to their charity, The Wounded Warriors Project.

Every member managed to win a plaque and Bill Bauer even won a couple of the silent auction items.

Great day all around!
