

Toys for Tots

Just like the Post Office, neither sleet or snow or dark of night could stop our toy shopping crew from keeping our commitment to Toys for Tots. With some area's getting up to 10 inches of snow, we had to delay the event for a few hours but the show did go on. Our shoppers met at the Lemay Ferry K-Mart for this holiday event. Thanks to the money's raised at our car show, the generous donations from our members, businesses and the St. Peters Lions

Club, we were able to donate \$2,596 worth of toys. After our shopping, we headed to Dave Sinclair Ford to fill up a F-150 truck bed where the toys will be picked up by the Marines. Great job everyone! Special thanks go out to Cindy Ahrens and Sly Biermann for their work on this project.
