

Tour of Fast Lane Classic Cars

A great way to spend a cold February morning was a trip to Fast Lane Classic Cars in St. Charles. It had been a couple of years since our club paid a visit and we were not disappointed. Most of us can only dream but we enjoyed the tour never the less. Although we did not make any "U-turns", we did make a trip to Pio's restaurant in St. Charles and were able to have a private room and a great meal.

We thank Rich Sutorius for his work on this late winter event.
