

# Fords Unlimited Night

## At the River City Rascals

Our May 31st night at the Rascals game was an outstanding success. The threatening weather stayed away and the home team won a very well played game. With the support of our members and both the Mustang Club of St. Louis and the Show-Me Mustang Club, we profited \$477 that will be donated to The BackStoppers. We will round that figure up to be a \$500 donation.

Special thanks go out to Dan Kelly for all of the time spent making this fundraiser a success.
