

Veterans Day

On a cold, blustery November 11th, members of our club participated in the Arnold celebration of Veterans Day. This last minute event for our club also included a parade. Although not a “top down” day, we had nine of our members parade with seven club vehicles. Members in attendance included Syl and Jim Biermann, Ron and Sharron Schodroski, Terry Koch, Jerry Grimmer, Bart McNail, Bill Giese, and Bob Layton. The parade ended at the Fox Schools and all of the students were there to greet us. After the wreath ceremony, participants were treated with a luncheon. Participants were also greeted with gifts and letters from many of the students. We thank these members for representing our club.
