

# Purina Car Show

**O**n August 15th, our club participated in a car show to benefit Voyager 40/8 and 8/40 Veteran Organizations. The show was held at Purina Farms in Gray Summit, Missouri. Beside a car show, we were also able to watch a dog show.

The show had about a hundred or so entries with our club having 16 cars in attendance.

Strangely, the show had seven Corvette classes and only two Mustang classes with only 1st and 2nd place ribbons and no trophies. At least it didn't rain.
