

"Spirit of the Midwest" Rides for Guides Car Show

Benefit for Guide Dogs of America

June 28th, 2015

The Rides for Guides car show was held at the Machinists Hall on St. Charles Rock Road on June 28th. All of the profits from the show go directly to Guide Dogs of America.

The threatening afternoon rain held the attendance down some, but the turnout was still very good. Our club again supported with 20 of our cars and trucks in attendance.

Several of our members finished in the top three of their class including Dave Smith, Jerry Grimmer, Josh Johnson, Burt Pennington, Mike McCallister, Terry Koch, John Sullivan, and Bob Layton.

The raindrops arrived near the end of the show but most of us made it home before the heavy storms finally arrived.

Club member Burt Pennington is an active member of Guide Dogs of America and appreciated our support.
