

DAVE SINCLAIR CRUISE FOR THE BACKSTOPPERS

With finally a rain free Saturday in hand, our club participated at the Dave Sinclair Memorial Car Cruise that was held at their dealership on South Lindbergh on June 27th.

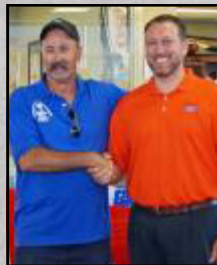

Our club supported with 36 cars and trucks in attendance. The cruise benefits The BackStoppers and all of the entry fees and profits from the basket raffles go to this important organization. The cruise raised \$1,800 which was matched by Sinclair for a total donation of \$3,600 to The BackStoppers.

That day, we were also able to view Jim Biermann's recently restored '69 Cougar. Nice job Jim!

Some of our members took home some attendance prizes as Bill Garlich won two and Terry Koch, Ann Dugo, and Donna Layton each won a basket. Jake Turnipseed took home the Best of Show trophy with his '65 Mustang.

We thank Ron Schodroski for his work on this very worthwhile fundraiser.
