

Ron Sutton

The 14th annual EPC Classic Carfest was held on October 10th at the EPC location in St. Charles. As usual, great weather brings out many cars and trucks with 234 entries. This charity event was sponsored by EPC Personal Computers with club member, Ron Sutton as the chairman of the show. Our club was out in force for this club event and had 24 entrees came in 2nd in club participation. Our club also helped out with the judging and our own Dan Kelly was our club's team captain and even had his own golf cart.

We didn't fare well at the show with only 6 members winning a trophy. They include; Duck Steavenson-1st, Brian Burger-1st, Scott Lewis-2nd, Jim Van Nest-3rd, Syl Biermann-3rd, and Josh Johnson-3rd.

Never-the-less, it was a great day to finish our club event car shows.
