

TOY DRIVE

With a just over a week before our toy shopping date, we had just over \$1,000 donated, but things changed rapidly. Thanks to donations from a former BOD member and spouse who filled a basket and then paid for it themselves, to a former member who is going to rejoin and made a very large donation, a donation from the St. Peters Lions Club, an additional \$230 donated at our December membership meeting, but mostly to the hard work and generosity of our member families, we ended up with \$4,803.60 worth of toys to be donated to the Marines Toys for Tots campaign.

After the shopping, we headed to Dave Sinclair Ford to drop off the toys and clothes and filled two F-150 pickups. As usual, we ended the day with lunch at Hooter's. The Mauzy's stayed around Sinclair long enough to purchase a Explorer to take home.

What a great job by our truly quality members who came through with the Christmas spirit in a big way to make this holiday fundraiser be so successful.
