

2015 Awards Banquet

It was only fitting to finish our 2014 year with a record setting Awards Banquet. The January 24th event was held again at the Dorsett Sybergs and had 104 guests in attendance. This was our second banquet held at this location and we will be back again next year.

After conducting a little business, a fine buffet was served. We always do well when planning meals.

We were then treated to the "Year in Review" by Syl Biermann that highlighted our club events in 2014. This was accompanied by a photo display of those events that Dan Kelly made possible.

The old and new boards of directors were introduced and thanked for their work along with so many who worked so hard during the year.

At the awards presentation, eleven of our members took home the fruits of their year, concluding with Burt Pennington winning the Neal Ketchum Memorial Award for finishing in first place in our points race.

The evening finished with distributing the attendance prizes to all who were present, the car club quilt drawing, the grand attendance prize and the 50-50 drawing.

As usual, our master of ceremonies, Syl Biermann did his masterful job of guiding us through the evening.

What a great way to start our new year.

Our night started with fried chicken, roast beef and all the fixin's.

Our large crowd filled the room. Even extra tables had to be set up.

Our night would not be complete without a Fords Unlimited cake.

Our MC, Syl Biermann always makes us look so good.
