

Classics on Wheels Car Show

We had a situation where three different events that we normally attend, all happened on the same day. The Classics on Wheels car show was held on May 2nd. For the past couple of years, the show was held in the fall. This year it was moved back to May which happened to be the same weekend as Valley of Flowers show in Florissant and the Shelby-fest held in Jeff City, so our members were all at different shows. Nevertheless, we did have a good turn out in Elsberry with 19 of our member cars in attendance. Five of our members took home a trophy and Scott Lewis took the "Best of Show" award. We also got to see a Kenny Simms burnout. Thanks to Mike McCallister for the donuts. It was a great day for a car show at all three events.
