

The McBees-1st & Sponsor Award

Jack Garris-1st & Sponsor Award

On June 3rd, the Mustang Club of St. Louis held their 8th annual Mustang and Ford show. Again this year, it was held at the Museum of Transportation. The unseasonably warm day was actually a relief from the past 3 years that featured rain.

That day we were able to view a couple of newer cars including Jack Garris's nicely modified 1957 Ranchero and Norm Weck's Lincoln Mark III. We also celebrated Vern Anderson's birthday and enjoyed the donuts supplied by Mike McCallister.

Unfortunately, their turnout was somewhat small but our club did our part entering 24 cars and trucks. 23 of our 24 took home a trophy and Dennis and Debbie McBee won the Bommarito sponsors choice trophy and Jack Garris received a medallion for sponsors choice. John Wishart won the 50-50 which he donated back to their charity. Our club won the club participation cash which was also donated back to their charity.

Again, our club was well represented that day.

Vern Anderson & Crew-1st
