

Cindy Ahrens Memorial Toy Drive

On December 9th, we finished our Toys for Tots shopping with another trip to Walmart. As the monies were split between 2 shopping trips, we had less to spend than our usual single trip. Again, it was a successful year and with total donations of cash and collected donations, we donated approximately \$3,200 worth of toys.

Since we always seem so cramped trying to collect the late donations and still meet the needs of the Marines, we will change our fiscal year for Toys for Tots. We will now run from December to November. This way, we will be able to fulfill our needs and the needs of the Marines.

We thank all of our members who worked so hard on this project and especially to our chairmen, Jim Biermann and Bart McNail.
