

CHOCOLATE CHOCOLATE CHOCOLATE C O M P A N Y TOUR

Our club held our "Calories Unlimited Tour" on May 17th. That day we took a tour of the Chocolate, Chocolate, Chocolate Company and did some serious chocolate testing and purchasing. The place is spotless but sadly, there is no candy production on the weekends.

We followed up with a trip to Rigazzi's for lunch and it was well worth the trip.

The day concluded with some of us checking out the Show-Me Mustang Club's Quick Lane charity fundraiser that was held at Pundmann Ford.

We thank Sandy Carey for setting up this high calorie day.
