

Fords Unlimited Race Day

BOSCHERTOWN

Grand Prix Karting
June 11th, 2011

On a cloudy, drizzly June 11th, members and family from our club visited Grand Prix Karting in beautiful, downtown Boschertown. The sometimes wet track was no challenge to our drivers although the names of "Crash" Sutorius and "Spin Out" Bufka come to mind.

We had two races and the winner of both was racing sensation, Jeff Hohl, helped out somewhat by the antics of the other drivers. Fortunately, there were no injuries and most of our racers headed off to JJ's restaurant to spend some time at this monthly cruise.
