

# Rich Hamlyn Car Show

A new show this year was the Rich Hamlyn Memorial car show that was held at the VFW Post 2593 in Arnold Missouri. The show benefited Camp Hope that honors our fallen by helping our wounded. The first time show drew about 140 or so cars and our club was out in force with 13 cars plus one member brought his Camero. The early morning rain may of effected the turnout but the afternoon turned into a sunny day. Four of our members were only in display but we had some winners in the judged classes. Taking first place were Jason Gould and Craig and Calley Brayton. Second place winners included Jake Turnipseed, Deb and Dennis McBee, and Steve Hendricks. Burt Pennington took 3rd place with his Mustang. Shelby Harris won Best Paint and John Bonness took first place with his Camero. Although we had many registered cars, we did not take the club participation trophy, but it was a good showing for our club.
