

On March 25th, our club visited the History Museum to tour the *Route 66: Main Street Through Missouri* display. This was a great way to spend a damp, raining day in March.

Known as the Mother Road and the Main Street of America, Route 66 plays an important role in American history and myth. But the fa-

mous road also has a story to tell about the St. Louis area and how it has changed. In *Route 66: Main Street Through St. Louis*, they explore the local history of this world-famous highway. We learn stories about the motels, custard stands, and tourist traps that could be found along the road as it passed through St. Louis. We were able to see a number of artifacts ranging from gas pumps to roadside signs and will even get a chance to drive the road ourselves.

We thank Jim Biermann for setting up this tour and to Syl Biermann who guided your "lost" editor to the Museum.
