

On November 5th, some of our members supplied cars for a display that was held at the McDonald's located on Mid-Rivers Drive near

Hwy. 94 in St. Charles County. Each participant was given a goody bag and coupons that included a free lunch. Some may think that's Dan Kelly in his droptop, but that really **is** Ronald McDonald filling the cockpit. This year's show season has been stretched due to the unseasonably warm weather. After this cruise, some of our group headed to another cruise. As always, Mike McCallister brought the donuts and the shade. Thanks Mike!
