

# Kaylee Pritchitt Car Show

One of the many charity car shows that our club has supported this year was the Kaylee Pritchitt car show held on June 24th in Arnold Missouri. The show benefits Kaylee Pritchitt, a young girl who was diagnosed with Rubinstein-Taybe Syndrome. She is 4 years old.

We had 21 cars of the approximate 125 entrees in attendance but were beat out by a Mopar club for club participation as several of our members were in display only and they don't count that towards club attendance. We did well though as 17 of our members took home a trophy. The show was presented by the *Give Back Pack*.

Our resident good guy, Bill Bauer helped a guy in need as he changed the starter on a participant's '68 Fairlane. Great job Bill.

The show was a financial success as it raised \$6,000 for the Pritchitt family. Our club picked up a new member and the rain held off until most of us made the trip home. Great day all around.
