

# Southern Illinois Mustang Association Car Show

**T**he Southern Illinois Mustang Association held their 35th annual all Ford Car Show at Roberts Ford in Alton Illinois on July 21st. It was thought that the intense heat wave that we had been going through would hurt the turnout at the show but there were 120 registered vehicles.

Even with the heat, the shade of our tents and an occasional breeze made the day bearable.

We had ten members showing their cars with all of our participants taking home a trophy. Scott Craig was able to show off his newly rebuilt Shelby.

Unfortunately, we were one member short of being tied for first place in club participation. However there is a show called "Best of the Best" which cars participating, must have been invited. Club member, Tom McGuire was one of those invited. Congratulations to all of our members.

**Tom McGuire was one of the "Best of the Best" chosen and also took home third place in his class.**

**Dan Kelly competed in a very tough class with his LX convertible and managed a third place trophy.**

**Some of the fine work of Custom Auto Center was on display with Scott Craig's 3rd place winning Shelby.**

# Southern Illinois Mustang Association Car Show

John Sullivan was a first place winner with his Lincoln Mark VIII

Always the cleanest car in the show, Mark Wisbey's black GT was a 3rd place finisher.

"Grampa's Toy" owned by Burt Pennington finished in 1st place as it usually does.

Jim Kinzel's newest additions to his Mustang look great and helped him to a 3rd place finish.

Shade was much needed and was in use all day.

Ken Farrar's Shelby displayed the club logo on the quarter panel of his award winning pony.

Bob Layton also took 3rd place with his '66 Mustang.

A great view of Mark Carey's '89 LX. Mark took home 3rd place in his class.
