

# Show-Me Mustang Car Show

**O**n September 15th, the Show-Me Mustang Club held their 25th Mustang and all Ford car show at Bommarito Ford in Hazelwood. A respite from the summer's heat was a cloudy and cool day, disrupted only by the many hundreds of motorcycles that passed near the end of the show.

Our club had 16 members present that included dual members who also belonged to the Show-Me club. Some of those members only displayed their cars.

Our turnout did allowed us to take home the \$50 club participation award that will most likely go to one of our charities.

Some of our members were also able to head next store to the St. Martin's Church festival for some burgers and Mexican food.

We were also able to get a new member, Roland Hall, who drives a really cool 1967 LTD.

Members entering cars and trucks include Bart McNail, Mark Wisby, Mark Carey, Steve Dennis, Bill Bauer, John Sullivan, Burt Pennington, Don Hricko, Jake Turnupseed, Jerry Grimmer, Terry Koch, Paula Goodrich, Willie Cole, Ken Farrar, Bill Giese and Bob Layton. Many of our members were awarded plaques and Don Hricko won one of the special trophies which was for "Most likely to get a ticket" with his Shelby Super Snake.
