

Our major car show sponsor, Dave Sinclair Ford, held a all Ford display at their facility to benefit The BackStoppers. We had hoped for a good turnout from our members and we were not disappointed. Of the 71 cars and trucks present, our club displayed 34 vehicles. We also had help from our friends from the Mustang Club of St. Louis as they displayed a dozen or so Mustangs. There were donuts and a food wagon present to feed our crew.

They also had basket raffles and donations for votes to bolster the fund raising. Our own Bill Bauer won the 1st place trophy with

Jake Turnipseed coming in one vote short. Josh Johnson managed to win one of the baskets. Mike McCallister provided his tent for shade and a place to display our club banner.

The event raised \$1,722 dollars which will be matched by Dave Sinclair Ford for a total donation of \$3,444. Great job! The folks at Sinclair noted that this will become an annual event and we will be back.

We thank Ron Schodroski who helped so much with out clubs involvement. Also thanks to Jim Biermann who stepped in and helped when your editors camera went "belly up".
