

Night at the Rascals

Fords Unlimited night at the Rascals was held on June 11th. A warm, but dry, night greeted the fans at Car Shield Field in O'Fallon, Missouri. As our fundraiser, two dollars from each ticket sold will be donated to The BackStoppers. Pre-game festivities started with members of our club driving our cars and trucks around the warning track and was topped off with our own Jerry Grimmer throwing out the first pitch, and a good one it was. Although the night did not end well for the Rascals team, it was an enjoyable night for our club. We thank Dan Kelly for all of his work on this worthwhile fundraiser.
