

# Veterans Day Parade

**O**n Veterans Day, November 11th, our club participated in the Arnold Veterans Day parade. After meeting at the Good Shepherd Lutheran Church for donuts and coffee, the parade started at 10:30 and went down Tenbrook Road then across Jeffco Boulevard and onto the Fox Schools campus, where students and staff greeted the parade. A ceremony followed with guest speakers and a wreath was placed at the Pole of Hope. After the parade, we were treated to a luncheon. A ceremony was held at Rickman Auditorium with songs for the 5 branches of US military service. We thank Syl Biermann for setting up our club in the parade and all of our members who were able to represent our club.
