

# TOYS FOR TOTS

The final event for our club for the year was the toy shopping for the *Toys for Tots* campaign. At our board of directors meeting held in December, it was decided to up our club donation from \$300 to \$525 as the donations were coming in slowly. But the generosity of our members took over and we set a new all time high in toy donations. Thanks to a couple of corporate donations attained by Syl Biermann, a donation from the St. Peters Lions Club and the holiday spirit of our members, we donated \$2067.07 worth of toys to the Marines.

Our December 15th toy outing had a dozen or so of our members filling the shopping baskets and Ed Biermann of the Marine Corps League met us at the South County K-Mart to take delivery.

Special thanks go out to Cindy Ahrens and Jim Biermann for their work but especially to our members for their generosity.
