Fords Unlimited Car Club

www.fordsunlimited.com

Each year, our club has a late winter/early spring outing, which includes trips like this to the Vietnam Wall in Perryville.

The Fords Unlimited Car Show has grown to be the largest, locally sponsored, all Ford Show in the St. Louis area. With the help of the Fairlane Club of America, local businesses and major sponsorship from Bommarito Ford, Dave Sinclair Ford and Akers Insurance. This event, held at J.S. McDonnell Park, has become the highlight of the area's all Ford car and truck shows each year.

Caravans to many of the local cars shows are yearly events. Some of the shows attended include the Wheels in Motion Day, the Rides for Guide show, and the other area car shows.

The Fords Unlimited Car Club was formed in 1986. Although there were many Mustang clubs in the area, there was nothing for the Ford lovers of other models. Our club is open to any Ford bodied, Ford powered car or truck, this includes all Fords, including Mustangs, Lincoln's, Mercury's and Edsels. Our current roster includes anything from a Model A street rod to late model Shelby Mustangs and pickup trucks. We currently have over 130 members. At all of our events, we have a great response of family participation.

Our events include monthly meetings, a late winter outing, group caravans to car shows, cruises, tours and the largest, locally sponsored all Ford show in the area, a Fall color tour, and the year concludes with our awards banquet. We also publish a monthly newsletter by email to cover our events and news interesting to Ford fans. The newsletter also offers free classified advertising which also runs on our website and is available by email. You can find additional information on our club at www.fordsunlimited.com

The club is run by a 5 member board of directors and all paid up members are eligible. The car show committee is also open to all members and participation is encouraged.

Our dues information is on the back page and a club application is also there.

In October our club ventures out for our Fall Color tour. We always have a great turnout for this annual outdoor outing.

Each year our club supports the Some of our other charitable events include the VFW show and the Wheels in Motion Day and support of The BackStoppers.

Our year includes our awards banquet in January which is held to celebrate the success of the previous year, award our point system winners and to introduce our incoming board of directors. It's also a great to jump start our upcoming year.
